You can pre-pay online, via personal credit card over the phone, wire money, or send a US check or international money order.

All payments should be made to Hawaii Naturopathic Retreat Center Inc.

Cancellation Policy

If cancellation is made 2 weeks or more before arrival date – full refund.

If cancellation is made less than 2 weeks before arrival – 80% refund

If cancellation is made after arrival, there will be no refund without a medical emergency; a credit will be issued toward a future stay.

24 hour notice is required for cancellation of tours and trips for full refund.

When you start your detoxification with us we strongly encourage you to complete the process. It is natural for the detoxification process to be unsettling and uncomfortable during the initial period. It is important to us to see you through this. When people leave in the middle of the process the consequences can be detrimental to their health, both psychologically and physically. We find that resistance to change is strongest in the first few days. Our refund policy is intended to support your transition.
